

## **Region 9 Consultation Feedback Session: Wednesday July 24, 2013**

### ***Framework for Region 9 Tribal Consultation***

- Opportunities to consult filtered by the region and headquarters.
- Look at state efforts in regards to Tribal consultation.
- Bigger items-need for consultation, oriented towards tribes, more messaging to specifics (FAQ) needed
- Connecting with Tribes in a way Tribes can respond/comment.
- Process-information gathered--decision makers--information to inform the decision—feedback on information provided—decision.
- How do we clarify when we don't understand what we get?
- Feedback process for consultation.
- (Idea)-Outline how consultation is conducted. Improves relationships between decision makers/programs/Tribes.
- More clarifying timeframes.
