UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

REGION 2

290 BROADWAY

NEW YORK, NEW YORK 10007-1866

October 8, 2008

Mr. Edward A. Gerdtz
Vice President
TRC Environmental Corporation
1430 Broadway – 10th Floor
New York, New York 10018

Re: October 8, 2008 Proposed Modification to the December 12, 2007 Accepted Deconstruction and Implementation Plans Amendment for the Removal of Compromised Bay Slabs (as amended January 8, 2008 and March 17, 2008), 130 Liberty Street, New York, N.Y.

Dear Mr. Gerdtz:

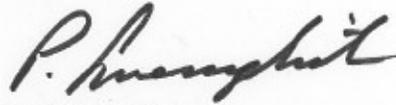

This is to inform you that the U.S. Environmental Protection Agency (EPA) has completed its review of the October 8, 2008 Proposed Modification to the December 12, 2007 Accepted Deconstruction and Implementation Plans Amendment for the Removal of Compromised Bay Slabs (as amended January 8, 2008 and March 17, 2008) submitted by TRC Environmental Corporation (TRC) on behalf of the Lower Manhattan Development Corporation for 130 Liberty Street in lower Manhattan.

Based on our review, and in consultation with the New York State Department of Labor (NYSDOL) and the New York City Department of Environmental Protection (NYCDEP), EPA accepts the above-referenced proposed modification.

EPA's review is not intended as a review and/or acceptance of structural engineering and safety matters or requirements for the protection of worker safety and health or for fire protection and safety at 130 Liberty Street. EPA is relying on the New York City Department of Building's, the U.S. Department of Labor Occupational Safety and Health Administration's and the New York City Fire Department's expertise in these areas, respectively.

EPA will continue to work with our regulatory partners to monitor the 130 Liberty Street activities throughout the execution of the project.

Sincerely,

A handwritten signature in black ink, appearing to read "P. Evangelista". The signature is fluid and cursive, with a prominent initial "P" and a stylized "E".

Pat Evangelista
